

To: James V. Capparelli, City Manager

From: Dawn Malec, Chief of Police

Department: Police

Subject:

RFP for security upgrades to JPD

Purpose: To inform city stakeholders of security upgrades to two JPD buildings.

Facts:

- a. This RFP will upgrade aging/end of life security cameras in and around the JPD main station and JPD west substation.
- b. This RFP will upgrade door access from 20+-year old scramble pad technology to HID door strikes, which will improve security in and around the premises.
- c. Funding for this project will be a combination of grand funds and operational budget funds.
- d. The RFP bid opening began the week of March 8, 2021.
- e. The memo will be presented at the pre-council meeting on April 5, 2021 for approval and execution of the document to begin the project.
